advice / attention

DIRECTIONS

DO NOT WET YOUR HANDS
BEFORE APPLYING FINGERTENS
BLUE HAND CLEANER

Dispense a sufficient quantity of
Fingertens Blue directly onto the
palm of your hand.

Work in thoroughly until dirt is
loosened. Pay particular
attention to cuticles and under
your finger nails.

Rinse thoroughly in cold water.
Dry your hands after use.

If a second application is
required dry your hands before
re-washing.

INGREDIENTS

Aqua, C13-14 Isoparaffin,
Laureth-8,
Polyethylene, Cocamide DEA,
Carbomer 934, Chloroxylenol,
Methyl chloro isothiazolinone,
Methyl isothiazolinone.

FINGERTENS BLUE HAND CLEANER

Subtly scented & suitable for
removing printing ink, oil,
grease, bitumen, resinous
materials, fresh paint, vegetable
and animal fats and most solvent
based soils from the skin.
