

WARNING

Causes eye irritation.
Keep out of reach of children.

FIRST AID

IF SWALLOWED: Rinse mouth.
Do NOT induce vomiting.
Call a POISON CENTER
(Australia 13 1126) or a doctor
if you feel unwell.

IF IN EYES: Rinse cautiously
with water for several minutes.
Remove contact lenses, if
present and easy to do.
Continue rinsing. Get medical
advice / attention

DIRECTIONS

For heavy soiling apply to dry
skin and add minimum water
during the washing
process. For light soiling apply
to wet
or dry skin. Dispense a sufficient
quantity of
Fingertens Clear directly onto
the palm of your hand. Work in
thoroughly until dirt is loosened.
Pay particular attention to
cuticles and
under your finger nails. Rinse
thoroughly in cold water. Dry
your hands after use.
If a second application is
required, it is not necessary to
dry your hands before
rewashing.

FINGERTENS CLEAR HAND CLEANER

Water based and mildly scented,
Fingertens Clear is the ideal hand
cleaner for process work and
warehouse applications. Suitable
for both dry and oily soils.

5 L

Fingertens Clear Hand
Cleaner has a pleasant,
subtle scent and is suitable
for removing light oils and
grease, metal rub, dust,
food waste including
vegetable and animal fats
and most dry soils from the
skin.

It contains no solvents,
alkalis or abrasives.

All cleaning agents are
bio-degradable
